

# Alice

and the search for  
THE Bubble Bugs

Alice is bored!  
And Emooly the same.  
Cos it's the season so boring it  
doesn't even have a name.  
That miserable gap between  
Christmas and Spring.  
Where no-one much feels like  
doing anything...

I know!  
We'll wake up the  
Bubble Bugs!

Don't worry!  
It'll be :-

Try as she might  
(And boy does she try)  
Alice just can't seem to get time to  
fly by....

Before  
Spring?!  
But they're  
hibernating!

You  
never  
listen.

True.

Disaster! Mayhem! Carnage!  
Oh my! Why couldn't Alice  
just let sleeping bugs lie?

So just how much chaos  
do we have in store?  
Well tune in next month for  
much, much more...!
